Radius Insurance - Commission Summary Document
Radius Insurance act as an intermediary (Broker) between you, the consumer, and the product provider with whom we place your business.

The background
Pursuant to provision 4.58A of the Central Bank of Ireland's September 2019 Addendum to the Consumer Protection Code, all intermediaries, must make available in their public offices, or on their website if they have one, a summary of the details of all arrangements for any fee, commission, other reward or remuneration provided to the intermediary which it has agreed with its product producers.

All details of any arrangements in place are shown in this document.

What is Remuneration?
Remuneration is the total compensation received by an intermediary for services provided to both the customer and the insurance provider. It includes all forms of payment earned in connection with arranging, managing, or servicing insurance business.

What is Commission?
Commission is the primary component of remuneration and represents the payment earned by an intermediary for arranging and servicing insurance products on behalf of both the customer and the insurance provider.

General insurance products
General insurance products, such as motor, home, travel, health, retail or liability insurance, are typically subject to a single or standard commission model, based on the amount of premium charged for the insurance product.

Work Transfer Payments
Work transfer payments are fees paid to us by insurers in recognition of specific administrative and servicing activities that we undertake on their behalf. These are tasks that the insurer would otherwise need to perform directly, such as preparing quotations, issuing policy documentation, and managing policy administration. The level of payment typically ranges from 5% to 10%, depending on the scope and complexity of the services provided. Products where work transfer payments apply are identified with an asterisk (*).

Radius Insurance Solutions is a trading name Keystone Insurance Ltd. Keystone Insurance Ltd is regulated by the Central Bank of Ireland under firm reference number (C49403). Incorporated in Ireland with a company number 449741. Registered address: 3rd Floor, Block 1, Quayside Business Park, Mill Street,, Dundalk, Co. Louth, Ireland.
